

# Integrity Ingrained

The American hardwoods we select from managed forests set the tone and appearance of our cabinetry. But there's something else that makes our cabinetry unique. At Woodmont Cabinetry, you'll find integrity ingrained in everything we do. A family-owned, faith-based company, our employees are the heart of our operation, building quality products and honest working relationships with our customers.

Yes, our products come with a warranty. But, they also come with our promise to keep manufacturing jobs in America, to minister to our community, and to safeguard our environment. Yes, our cabinets are beautiful to behold, but our customers remain loyal to Woodmont Cabinetry because of the warmth, character and integrity ingrained in everything we do. Doing things right. And doing the right things. It's how we craft our products, our lives and our business. And that's our promise.

## 1 Playful Pendant Lights

Illuminate your kitchen island while adding a touch of modern whimsy with quirky stacked-ring metallic pendant lights.

## 2 Upcycled Centerpiece

For instant seasonal color, take a metal pedestal bowl with a wooden base and pile it high with oranges, apples, lemons or pears. Or, press a reverse bowl trophy into service as a unique, upcycled centerpiece that adds instant history to your new kitchen.

## 3 Industrial Counter Stools

Marry both rustic and industrial looks with these sturdy wood and wrought iron counter stools. The low profile backs open up the space, creating refreshingly clean visual lines.

## 4 Feeding Station for Fido

Even four-legged furry members of the family appreciate great design! Keep Fido (or your favorite feline) close at hand, with an easy-to-access pet feeding station incorporated right into your kitchen cabinetry.
