

Integrity Ingrained

The American hardwoods we select from managed forests set the tone and appearance of our cabinetry. But there's something else that makes our cabinetry unique. At Woodmont Cabinetry, you'll find integrity ingrained in everything we do. A family-owned, faith-based company, our employees are the heart of our operation, building quality products and honest working relationships with our customers.

Yes, our products come with a warranty. But, they also come with our promise to keep manufacturing jobs in America, to minister to our community, and to safeguard our environment. Yes, our cabinets are beautiful to behold, but our customers remain loyal to Woodmont Cabinetry because of the warmth, character and integrity ingrained in everything we do. Doing things right. And doing the right things. It's how we craft our products, our lives and our business. And that's our promise.

The Look

Like the city that bears the same name, Sedona5 lends itself to spectacular design, vibrant art, and natural beauty. Simple, yet dramatic, Sedona5 stands the tests of time as a door style that elevates the design of any room.

The Style

1 Geometric Pendant Lights

Geometric panels of frosted glass, framed with polished nickel, create eye-catching style over the island.

2 Pop of Color

Reminiscent of a Georgia O'Keeffe still life, a vase filled with vibrant poppies adds punch to a neutral palette. Colorful cookware and dishes complete the room.

3 Herringbone Tile Pattern

Used for hundreds of years, the intricate herringbone tile layout adds angular interest and majestic elegance to any backsplash.

4 Upholstered Stool with Nailhead Trim

Soft gray leather upholstered counter stools, with nailhead trim, are the ultimate in desert-inspired chic.

5 Built-In Wall Oven and Microwave

A built-in wall oven is easy to clean, easy on your back, and easy to incorporate into your cabinetry design. Using your exact dimensions, Woodmont Cabinetry creates custom wall and microwave surrounds right in our factory for simple, seamless installation.
